

Windmill and Old Well Wines

Winemaking and Related Services

2014 Shiraz

Windmill and Old Well Wines is a small, family run venture located south of Wangaratta.

The grapes for this wine were sourced from two vineyards on either side of the Warby Ranges in the Glenrowan Region of North Eastern Victoria.

The wine is drinking well now but with good cellaring it has the potential to improve over the next four to eight years.

Enjoy.
